*I take the ice cube,
graze it across her open cleavage
and look back at you.*

*"How about this?
Does this get you a little worked up?
It gets me wet."*

*My finger traces over my neck, cleavage, and
hip to the end of my frayed shorts.
I dip my finger under the edge.*

*"It's making me a little...,"
Chris pauses,
fanning herself, "hot!"*

When good ice goes bad.
